

# GOLF TEAM POSTS IMPROVED RECORD

The 1968 golf team which posted a 9-4-1 won-lost record was led by the consistent play of captain Bob Holdsworth and underclassman Steve Kegerreis.

A narrow three point loss to Cranford, Watchung Conference Champs and County Champs, highlighted the team's season effort. In individual action, Holdsworth and Kegerreis finished in fifth and sixth positions in the County tournament by posting rounds of 83 and 84 respectively. Four Juniors and three Sophomores comprised the seven letter winners for the 1968 season.

While managing only a fifth place in the Watchung Conference, the team played admirably against a tough schedule.
