"Charge!"

Coach Orrico sprints for the finish.

The 1968 Cross Country team posted a highly successful 10-6 won-lost record and finished in ninth place in the annual Union County Championship Meet. Dominated basically by senior members, the squad, on one occasion, was a double winner in the North Hunterdon-Bridgewater-Raritan tri-meet and registered important single victories over teams such as Jefferson and South Plainfield. In the Watchung Conference Championship Meet the team finished a disappointing fifth. Led by Coach Orrico, the team did not lack depth or balance, but did not have any one consistently outstanding individual. However, the overall performance of team pacers, M.V.P. Dennis Fedison, Jim Nowak, and Rich Soderberg accounted for many victories.
