

*An individual
In the crowd of many but
standing
alone.
Different from the others.
Loves, pleasures, joys
Refusing to conform
To standards, averages,
norms.
Thoughts, ideals, goals, desires,
Resisting temptation
of likeness.
Hatreds, fears, pains
Defying the straight logic
Of those who do not feel.
Each individual
Fighting to preserve, find,
recapture
His Self.
Such is the variety of
Eachness,
Stamping every day
With a different color,
Making life
Livable.*
