florence snarski

patricia zizlsparger

"they're not really going to do that?!" charlotte masperi.

## physical education department

... "teachers are interested in what they're teaching and students are participating with more enthusiasm" . . .

... allowing students to select courses . . . greater participation and enthusiasm . . . "hey, there's a self-defense course for girls!" . . . changes effected by students' suggestions . . . independent study encouraged . . . programs adapted from college courses . . . aerobics always draws a crowd . . . "i wonder if mr. delaney noticed i only ran three laps instead of four?" . . . environmental and consumer health for sophomores . . . "does everyone know who ralph nader is?" . . . sex education course for seniors . . . "don't blush mr. mercer!" . . .
