

marco tedesco continues his quest for knowledge.

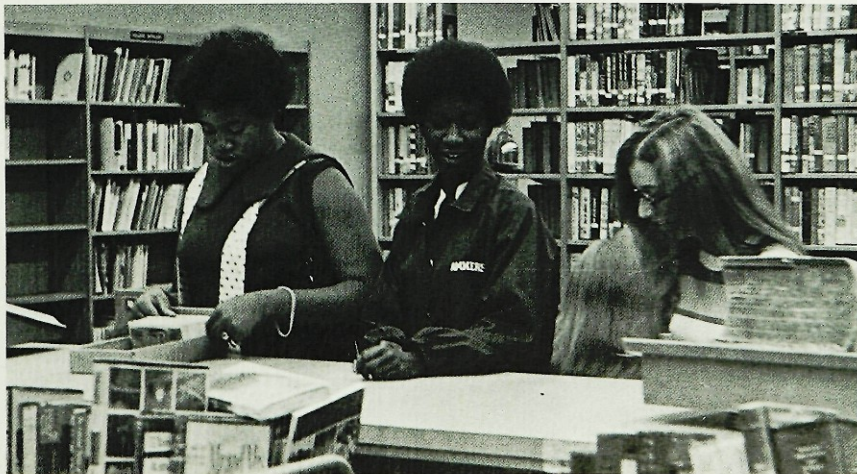

james tuttle

loraine ayers

sharon valiant

"nina, you won't find that in the card catalogue." loraine friday, nina pulver.

media center

. . . an information explosion . . . making available invaluable research aids to students and teachers . . . some students still misusing the center . . . many involved in independent study projects . . . working in and out of the classroom . . . looking toward the future . . . independent study projects for credit . . . students using their unassigned time constructively . . . library council . . . new name contest — "aidems" . . . "we've been reborn" . . . still exploring new concepts in learning . . . the media center is so much more than a library. . . .

"so what else happened last weekend?!" sherry bontempo, nancy spyry, carol arnone.
