

# a c t i v i t i e s

... seeking a means ... trying  
to reveal a bit of all that  
beauty bursting inside ... to  
convey to others the intricacy  
and subtle loveliness of our  
youth ... we express ourselves  
through actions ... channel-  
ing our overwhelming energy  
... attainable goals ... activ-  
ities only provide the method  
... realizing this potential ...  
a challenge which must be ful-  
filled....
