

*Fiddle-de-dee and Fiddle-de-dum. Ruth Firestone and Andrea Natale.*

## Orchestra

... a waving baton ... a sea of metal stands ... orchestra ... comprised mostly of traditional string instruments ... including some wind and percussion ... all types of orchestral music; works by classical and Broadway composers ... rehearsing three times a week ... demonstrating instruments at elementary schools ... a benefit concert for "Two Worlds" organization ... spreading holiday cheer at Christmas concert ... an outstanding show at the Glassboro State College Orchestra Festival ... orchestra ... combining dedication and talent for the listening enjoyment of others. ...

*Music: food for the soul. Greg Checchio.*

*Next stop, the Metropolitan Opera House.*

## A Capella Choir

... combining fifty experienced voices in one chorus ... learning new music; each piece presenting a challenge ... building a repertoire ... the sweet melody of "Danny Boy" filtering into the hallway ... developing refined techniques of

choral singing; stressing rhythm, dynamics ... attempting to convey emotion ... singing from the heart ... "When you put on a little music, you put on a little love." ...
