## Leaders' Club

... a vital service to the women's physical education department; assisting with grades and paper work ... "reffing"; practical experience for PE majors ... election by appointment; selection based on enthusiasm, leadership, and integrity ... pausing for social activities; trips to pro football and basketball games ... ski trips, a progressive dinner with a novel twist; biking to five different houses for each course of the meal ... selling Tootsie Rolls to raise money ... sponsoring a car wash ... making friendships ... acquiring responsibility ... "a good experience" ... "a lot of fun". ...
