

FOREIGN LANGUAGE

... verb tenses, fiestas, pronunciation drills ... personally enriching students with foreign languages ... preparing individuals for future careers in an increasingly international world ... acquiring an appreciation of different cultures and customs ... instruction via conventional readings and writing assignments as well as audio-visual methods ... Dôna Perfecta and Les Miserables ... promoting international awareness through Spanish and French National Honor Societies ... opportunity for applying language skills in trips abroad to Spain and France ... French, Spanish, German, Italian, Latin Russian ... Foreign languages-the key to worldwide communications ...
