

ART DEPARTMENT

... from crayons to acrylics ... art-an intrinsic part of our everyday lives ... unconsciously influencing our thoughts, emotions, and actions ... the Art Department-enriching insight and awareness of the environment and ourselves ... striving to realize each student's potential as a creative human being ... sculpting, sketching, painting, and lettering ... serving as the primary preparation for a lifetime career as an artist, designer, letterer, photographer, craftsman, or in any art-related field ... objectives achieved through 21 courses covering the fine arts, crafts, photography, film, and printmaking areas ... art history courses exploring styles and trends of expression throughout cultures and time ... sponsoring the photography club, art-filled showcases around the school ... Art: an outlet for expression
