

MEDIA CENTER

... "one student per carrel please" ... a valuable resource area for classroom study, independent work, or recreational reading ... boasting an impressive array of books, periodicals, and audio-visual materials ... under threat of restricted study, students diligently work and research ... "No materials beyond this point!" ... a quiet, intellectual studying atmosphere ... serving teachers with equipment delivery, television scheduling, taping, and broadcasting, and reproductive graphics service ... "You are entering quiet area" ... S.P.F.H.S. Media Center: much more than books
