

Culmen.

Dear Miss Allen,  
 This year is finally over, thank-you for your favorite class! I really appreciate all our discussions. You help me have a nice, enjoyable summer. I probably pass you somewhere. Thanks for everything! You're a darn good teacher. Always remembers pd 3 volleyball.

Dear Miss Allen,  
 Thank you for making Psychology fun. I think you are a great teacher and a really nice person. I was fun having you as our volleyball teacher also. The best of luck always.
