# DAVID GOUDY

We, the Senior Class of Scotch Plains — Fanwood High School proudly dedicate this book to you, Mr. David Goudy, with appreciation for your contributions to the students of our school.

In your roles as teacher, S.G.A. Advisor, and personal advisor to many, you have shown wisdom, humor, warmth, patience, and commitment. We appreciate these gifts you have so willingly shared with us throughout our high school years, and we thank you for them in this dedication.
