

Senior Talent Show

This year's senior talent show, held in November sparkled with the top acts of the class of '85. From the "Catman" to our famous "Shama Lama Ding Dongers," all the acts brought out the creativity of the seniors and their willingness to entertain audiences. Rounding of the show were the acts with Nicole Kaestner and her dancers and the hysterical air band. Also in the show were great twirlers our school helped to develop. When asking the performers how they felt about the competition, many replied "There was no real competition, just some good, clean fun."
