

S.G.A.

The Student Government Association provides leadership and activities for the students at SPFHS. Some of the activities which were held this year were Homecoming '84, Candy Cane day, Carnation Day, discount movie ticket sales, and the blood bank. The money went for the whole student body to hold any further activities that might provide a learning experience for the students. The SGA is also responsible for all elections and coordination of fundraisers. Meetings are held once a month in the multi-purpose room. The SGA promotes school spirit as well as student involvement.
