

Individual Efforts Spark Track Team

The highlight of the 1985 Spring Track Team was not its regular season record, but, rather, the success of Raider athletes in State competition. During the regular season, the Raiders compiled a 7-3 record in its meets, with distance runner Tom Clavin being chosen the Team MVP. In State competition, Coach Jeff Spring's athletes really distinguished themselves. Shotputter Mark Witzel placed in the Top 10 in the State in his event; Erik Ledder, javelin, and Konrad Soong, pole vault, each placed third in the States. With Erik and Marc Sorkin, Francis Costello, Frank Holowka, and Rich Appezzato, among others, returning in 1986, Spring hopes eternal for an equally fine season.
