

Golf Team Undefeated

The 1985 Golf Team had a very successful season. The team was undefeated in thirteen matches. Coach Louisa Connell led the team which played at Scotch Hills Country Club. Brian Crawford, who was elected MVP, advanced to the semi-finals in the state competitions. The team contained many talented members such as Steven Agran who shot a hole in one. Future success is chancy as only one returning player, senior Steven Oakley, will be out for the 1986 squad.

Golf is such a relaxing, tranquil game, as you can see.
