

Recognition

Recognition. As befitting the month of June and the closing, for some, permanently, of school, annual recognition is given to those whose time at SPFHS has achieved meaning and accomplishment. With the end of May comes the DECA Banquet, a major social event in our community. At L'Affaire, where the banquet has been held in recent years, students, faculty, administrators, parents, and employers are recognized for their contributions to distributive education, business, and the community. The members of DECA, under the leadership of Don Cababe, stage an incredible evening of fellowship, good food, and entertainment through the sharing of their many individual talents. In June, the Music Boosters stage a gala dinner at the High School to reflect upon the many accomplishments of the SPFHS music program that year, and to honor those whose contributions have been above and beyond what is expected of students and boosters. At the Final Awards Night presentation, shortly before final exams begin, academic and community success is honored. In 1985, over \$45,000 in scholarships and grants was presented to deserving SPFHS students by generous community groups and philanthropic trusts. This figure did not include a 4-year AFJROTC engineering scholarship valued at \$45,000 which was presented to Senior Bryant Lies. It is a special moment for the recipients who, perhaps, unknowingly, have received a gift much more valuable than money. Recognition.
