*This year's Winter Track team proved to be exceptionally good considering they were basically a young team, with a new coach, Matt Makowski. The group attended meets where up to as many as twenty schools competed. The team did not, however, have any head-to-head competitions this year. Some of the meets were Union County Relays, and East Brunswick Invitionals. The team placed third at East Brunswick Invitionals in the shot-put event with the help of seniors, Erik Ledder and Connie McGriff. The team also placed third in the distance medley with the help of seniors Francis Costello, Frank Holowka, Ron Kramps and Erik Ledder. Along with Seniors Bob Corritore and Hap Hornung, they helped underclassmen Eric Gordon, George Lymperopoulo, Doug Monroe and others to have a very impressive season.*
