

Success Is Right Up Their Alley!

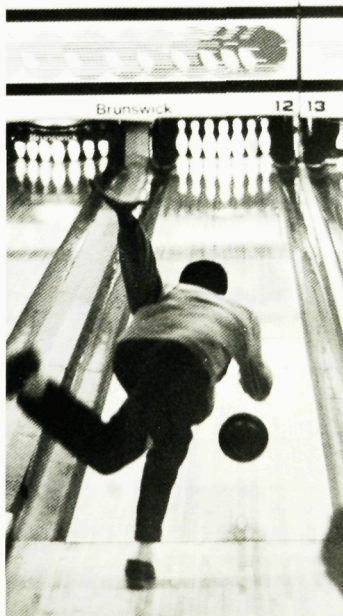

Oh, what might have been . . . ? At one point in their 1985-86 season, the Varsity Bowling Team had posted a 5-1 record and challenged for the leadership of the Watchung Conference. Then, for disciplinary reasons, three Senior team members, two of whom were Varsity starters, were dropped from the team by Coach James G. Mason.

The Varsity Bowling Team nevertheless finished its first winning season in several years with an overall record of 6-5. Coach Mason and the remaining Senior team members, led by Captain and Team MVP Andy Sirdashney, and including Linda Miklas and JoAnne Lin, had their hands full with a young, somewhat inexperienced squad.

The future is in very capable hands! Featuring the talents of underclassmen Michael Hughes, Gary Stelzer, Matt Stefanowicz, and Dave Sirdashney, among others of note, this year's squad finished in the top half of Union County in the annual Tournament. Coach Mason can say, "Wait 'til next year" with anticipation, and not resignation.

Coach Mason and his '86-'87 squad should have a great deal to smile about next year.
