

HOPE PERVADES

Students' Past

OH WHERE, OH WHERE
HAVE THEY GONE?

Hope pervades the Scotch Plains-Fanwood community, despite the calamity which has apparently descended upon the High School's Senior Class. Treasured relationships among the Seniors were suddenly, without explanation, terminated. What happened to Basketball player Michael Brown, or to Mascot Kathy Diskin, just prior to graduation? Senior Nina Constanti [see Photo below] had been a fixture on the Field Hockey and

Volleyball teams for several years. And yet, Field Hockey Head Coach Richard Call tested Freshman Elizabeth Sweeney in goal toward the end of the 1986 season. [see Story on Page 202] Did the Coach have "inside information" of the mystery which was to unfold?

Life was certainly quieter and less hectic at Spiffy-Hi following the disappearance of Liz Keyt and Sue Yoon. [see Photo to immediate right] As a CULMEN staff member, Liz's help at distribution time in June was sorely missed! Sue had made her Rep Theatre debut in March.

HOROSCOPE

Aries [Mar. 21-Apr. 19]: Don't butt in on friends' personal secrets. Keep your horns in and avoid green M&Ms. Avoid all dark, mysterious strangers; Romance will attack ewe in the near future.

Taurus [Apr. 20-May 20]: The Market will soon be bullish; don't be cowed, invest wisely! Avoid china shops, or romance will come crashing down around your horns. Beware a stranger with the initials "B.S."

Gemini [May 21-Jun 21]: To elude double-trouble in the next month, beware of gum or siamese cats. Guard your brown-bag lunch! "Mickey-D's" may be the place for a new love, or ideal for your old-fashioned love.

Cancer [Jun. 22-Jul. 22]: Claw your way to the top; You'll soon be King of the Hill. Mysterious strangers may not like Twins, but they love Crabs! Look for love in your stars by the end of the month.

Leo [Jul. 23-Aug. 22]: Your pride is showing! Lyin' should not be your mane defense mechanism. Get yourself a copy of *JUNGLELAND* and beware of beasts that go bump in the night!

Virgo [Aug. 23-Sep. 22]: Don't give in! Laziness for any reason could result in the climax of your career. Beware of expressing anger; severe consequences await an outburst or tantrum.
