

THE ANSWER MAN

Dear Answer Man:
I UNDERSTAND THAT SOME OF THE TEACHERS AT SPFHS WERE ONCE STUDENTS AT OUR HIGH SCHOOL. WHO ARE THEY, AND WHY WOULD THEY WANT TO WORK HERE?
— FLABBERGASTED!

Dear Flab: Those teachers are Mr. Orrico [44], Mr. Schiller [48], Mr. Lee [53], Mr. Ford [61], Ms. Wellman [67], Ms. Kling [68], Mr. Multer [70], Ms. Cecchine [72], and Mr. Dettmar [79].

Why? The murderer ALWAYS returns to the scene of the crime . . .

Dear Answer Man:
WHY DO THEY CALL FIRE DRILLS DURING MY LUNCH PERIOD? WHEN I GET BACK TO MY TABLE, SOMEONE HAS EATEN MOST OF MY LUNCH.
— JERKED AROUND!

Dear Jerk:
Fire drills are NEVER scheduled during lunch periods. However, there are some deviant students who are VERY safety conscious and feel a need to pull an alarm every so often . . . just in case, of course.

As for somebody eating your lunch while you're outside, if you purchased it in the Cafeteria, that person has ALREADY been punished.

Dear Answer Man:
WHAT DO YOU THINK WOULD BE THE BEST SOLUTION TO THE PARKING PROBLEM AT THE HIGH SCHOOL?
— DYING TO KNOW!

Dear Dying:
Raise the driving age to 21.
