

The Lifers hold the REAL power in any institution. Everybody knows that, some a lot sooner than others. How did they become Lifers?

For some, it's hard to say, they've been doing it for so long. The younger ones tell you that it's the only thing they ever really wanted to do. And that's probably true.

But it's not power that makes one a Lifer, it's EXPERIENCE. They can show you how to survive on the inside, and how to make it on the outside.

If you're willing to listen.

It's just a matter of time. Sooner or later.
