**T**he school year 1988-89 would best be remembered as a year of frequent controversy: student parking, apathy, senior privileges, open lunch, a Football de-

bacle, a Soccer nightmare in November, a win in Field Hockey, Fanscotian editorials.

In the "outside" world, an equally chaotic stream of thought: "The Wimp" defeats "The Shrimp" for the

Presidency, Orel Hersheiser, Steroids at the Olympics, "Don't Worry, Be Happy," Tyson fights Givens, Roper, and King, the "Greenhouse Effect," and the Return of the Space Shuttle.
