

The Boys Freshman Soccer Team completed its second undefeated season in the past three years under

Coach John Turnbull with a 15-0 record. The team was equally tenacious on offense and defense, scoring impressive overtime wins against St.

Benedict's, the lone Varsity conquerer (4-3), and

Cranford (1-0). Among many fine individual efforts

was that of Avi Horev, who set a Freshman season

scoring record with 17 goals in 15 games.

An even

more impressive statistic is the fact that the

Raider Frosh played both tough and clean! Not one

yellow card for improper play was assessed to a Raider player all season, a unique accomplishment in

a sport that is deceptively physical and very emotional. When coupled with the efforts of the JV Boys Team which reached the County JV Tournament finals, the future of the Boys Soccer program at SPFHS would appear to be quite secure.
