BRIAN J. FLEMING
 Also Vern or Bruce. The year is
 finally over. I didn't think the
 day would come when there
 would be no more high school.
 Sears paint-thanks for every-
 thing D.D. I'm not really like
 Bruce, it just seems that way.
 Thanks to everyone who ever
 helped me -you know who you
 are. To my parents-thanks for
 all the support all these years
 and thanks for putting up with
 me.
