

In 1990, Kristen Farley finally came into her own as a Varsity pitcher, while Stacy Rosen anchored first base as one of the best in the County for three years. Both graduated and must be replaced by Head Coach Jim Mason in 1991.

## Respectability In '90; Questions In '91

After back-to-back seasons of mediocrity, the 10-9 record of the Girls' Varsity Softball team was a welcome sign in 1990. This was true even though the Raiders got off to a 5-1 record at the beginning of the season and played at a .365 winning rate from mid-April. After 3 years of mixed frustration and success, Senior hurler Kristen Farley assumed the mantle of Team "Ace" and led her team as best as she could lead. Her efforts and success were rewarded when she was named Union County Scholar-Athlete from SPFHS and Team MVP in 1990.

Kristen graduated last June. The question of who will pitch for SPFHS is one of many for Head Coach Jim Mason. After a two-year hiatus, Senior Sandi Liebiedz, an All-

County prospect in the outfielder, has resumed throwing and, if she can pitch without pain, could be found with Shannon Castoro and/or Becky Rosenthal on the pitching staff.

Who will play third base? A good question, since the Raiders haven't had a regular there since Jolie Lies. A freshman could be a good bet to assume that role, if no one else steps forward.

And there is the matter of hitting. The only thing offended by the Raider offense in recent memory have been the Team's fans. The Raider bats MUST wake up, the Raider defense MUST tighten up, and the Raider pitching staff MUST find an "Ace" or "we're really going to struggle," admitted Coach Mason in March.
