

This may be as quiet and as still as Erik Gerner will ever be! A quick practice round on the putting green prior to a match at Scotch Hills.

Presenting the eternal "bon vivant" of the fairways, Head Coach and Club Pro John Turnbull at the wheel.

Golf Team Seeks Missing Links To Championship Titles

The 1990 Golf Team was ripe for an overhaul. The 1989 squad had posted a mediocre 8-4 record in a cloud of lackadaisical play, if not, at times, apathy. Nearly 20 students, including 14 returning Varsity and JV players, fought for a place on the 10-man squad. The level of play encouraged Coach John Turnbull:

"I expect to win 15 or more of the 20 matches." The Raiders finished the '90 season with a 16-4 record and increased respectability. Hopefully, the stage has been set for an even better season in 1991. On the eve of the '91 tee-off, the only serious losses were Matt Kresge, to graduation, and Drew Mahoney. Team MVP

John DiAgostini, a Junior, is back, along with Seniors Kurt Gabriel, Kevin Kane, and Drew Shinderman. The rest of the team will be underclassmen. Would Coach Turnbull predict a Conference, County, or Sectional title in '91? He won't say... yet!
