

Kena Ennis, 1990 graduate, earned recognition as one of the fastest female sprinters (100 m.) in New Jersey.

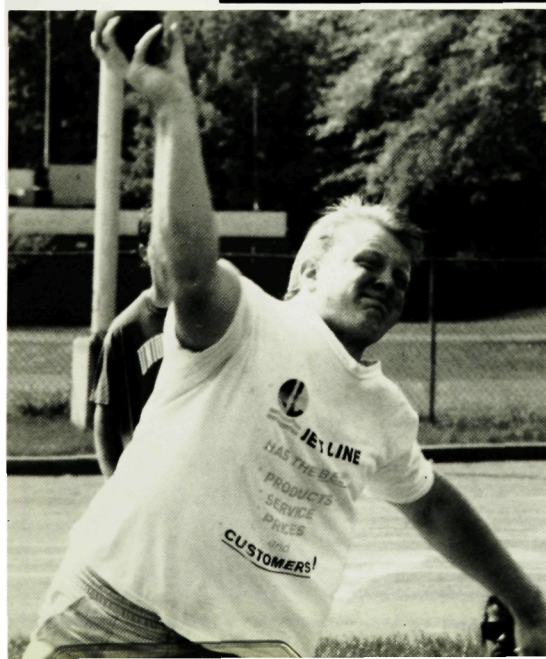

Peter Clavin continues to demonstrate his prowess as one of the top distance runners in Union County. His specialties will be the 800 m. and 3200 m. events.

Raider Boys Track Completes 3rd Perfect Season, Cops Conference Title

Spring Track continued its resurgence at SPFHS with a dynamite 1990 season. The Boys' Team completed its 3rd consecutive undefeated dual meet season (6-0), clinching the National Division of the Watching Conference. Capturing 3rd in the Conference Track and Field Tournament, the Boys went on to post fine individual performances in the County and Sectional meets.

With limited numbers, the Girls' Team did not record as impressive a record. Individual performances, especially

those of Kena Ennis in the 100 m., set the tone for the season. Kena went to the State Meet where her times in the 100 m. nearly broke the State record. Most of the '90 Spring Track Team returns this year. Dave Francisco will replace Corey Geis in the pole vault. Peter Clavin hopes to continue the distance mastery which, at SPFHS, has practically become a family tradition. Shanta Brown, fresh from a successful Winter Track season, will try to fill Kena's track shoes in sprint events.

While Doug Kutney (left) and Brian Martin worked with the shotput, Tracy Klein and Meredith Polak (above) concentrated on distance events for the Girls' Team.
