

Not only do students at the high school have a lot of homework to do, but for some it is more of a struggle to get it done because it is not the only work they have to do. Many students work after school, nights, and weekends. Below are some of the places at which our students work.

- |                       |                              |
|-----------------------|------------------------------|
| 1) Friendly's         | 11) Irma's Bag               |
| 2) Burger King        | 12) Baskin Robbins           |
