

# DON'T YOU JUST LOVE THE TENNIS TEAM

With the arrival of the '92 Spring season, the boys' tennis team, under Coach David Blackman, was looking forward to a productive year.

It was led by Jeff Bacote at first singles. Other key members who were fighting for singles or doubles spots were: Pete Beckus, G. P. Karsenty, Dennis Yabut, brothers Jim and Brian Dougherty, Amit Dogra, and Dennis Gardon. The team lost two starters but it didn't figure to hurt them much.

The team was coming off a great season — it was 19-3 and won the Union County and Watchung Conference Championships last year. One of its goals for this year was to be as competitive as last season.

"We had an extremely "deep" team so it shouldn't be any trouble defending as County Champs for a couple of years," Gardon said.

Top Row (L-R): Jim Dougherty demonstrates his forehand ability on the court. A forceful return of a serve is made by G. P. Karsenty. Bottom Row (L-R): Anthony Albanese intensely eyes the ball. Jeff Bacote has no problem returning a serve. Pete Beckus hits a two hand smash.
