

# RACQUET ATTACK

This year's girls tennis team was a cohesive unit. Each player worked hard to improve her skills and to maintain the excellence for which they have been known. Compiling a record of 14-5-2, the team was ranked seventh in the county. Most valuable players were Lauren Everitt and Diane Kapner. Boitumelo Notoane was named SPFHS player of the year by Forbes Press. According to coach Sue Allen, "We are looking forward to being even stronger in the years to come."
