

LIFE IN THE FAST LANES

The 1992-1993 Winter Track team was comprised of over 75% first year runners. Captain of the team included distance runners, juniors Erik Graf and Chuck Reed, as well as, senior shot-putter John Rusnak. MVP for the season belonged to Steve DiTrolio, who easily won the points race. The 4x800 relay team finished in 5th place in the Union County Championships. Anand Patel joined Graf, DiTrolio, and Reed for that finish. Sarah Chieffo was a pleasant surprise finishing 5th and 7th in the JV races at the 55M hurdles, and 55M dash at the girls Union County Championships. Coach Bruce Fenska stated, "I tried to get the team to enjoy track since we were so young, the pressure can come later with experience."
