

A PATH OF VICTORY

Runners Ready, Step up to the line, and Bang!!! The Raiders track team is off and running at the gun. The 1993 Raiders are racing against three factors: the shadow of last year's success, the clock, and the stiff competition. The Raiders will try to continue their dual-

meet undefeated streak which dates back 6 years.

The Raiders look to veteran athletes whose time has come to flourish. Senior Pat Bartels comes into the season as the number one ranked pole vaulter in Union County. This year's cross county team will provide the base of talent for the distance races. Sprinters look to Senior Eric Bowser to lead them to victory in record time. It is expected that the 1993 Raiders will put one foot in front of the other . . . in record time.
