

# SLIDING INTO HOME

As spring slowly approached the SPFHHS baseball team focused on reaching the ultimate goal of playing in the county and state tournaments. Since last year's 1998 record brought them to the second round of the county tournament, Coach Brian Homm hoped to lead this year's

team to the later rounds of the tournaments. According to Coach Homm, "The team looks strong offensively, but pitching is a question with junior Todd Flannery coming off an arm injury." The 1993 schedule is filled with some tough opponents to test the Raiders' ability.
