To all students of the '94 class: Spread the peace because the hate must cease. Peace up to ER, BS, IW, JR, DW, DF, LW, AR, and all the others that use to chill. I'll catch you all on the back truck. Stay cool. Later to those in Westfield, Edison and Plainfield. A "Big" thanks to my family. I'll miss you TC. Out to the Real World. Party time.

Carpe Diem all who read this, it's over by a big building! Think of lunchtime analysis of metaphysical souls village travels conventions jacuzzis stress trips laughs profundities locker decorations late-night lab comparisons and so on . . . My dear friends you know who you are. You were there to be wacky and I'm grateful. Extem crew carry the torch. The Future AAARRGGH!

I cant believe I'm finally here. It seems like yesterday I was a freshman thinking of the day when I would be a senior. As a senior I have made many accomplishments and have over come lots of obstacles. I would like to thank God for making this all possible. Mom Dad. My sweetheart Brandon. My shasta, who has always been there for me. MY big sisters Kim and Susan. MY homegirls KM KM RINA TM LB SS DW LW DV CF Methé Nia and LP good luck to all of you Thank you Mr. and Mrs. Hampstead for standing by me peace, tina
