

Putting our Best Foot Forward

The cross country season started off with a bang, ending with a 17-3 record. The team had many returning runners as well as many promising new ones. Throughout the season the team faced many tough opponents and was able to give them a run for their money. Jason Lilly and Eric Graf led their team to victory with striking races. The team practiced hard for their 3-2 mile races at Warinaco Park. They had realized their strenuous work had paid off when they won the conference, became third in the county, placed fifth in the State Sectionals, and advanced to the Group Finals. Jason Lilly was given the MVP award. However, the greatest achievements of this team were determination and perseverance.
