

# NET FORCE

The old saying that a chain is only as strong as its weakest link was applicable to this year's Varsity Girls Soccer team. The team's determination and loyalty led them to a successful season record of 8-7-2. Although all players contributed to the team's success, the key players were Jen Koster, Amy Murphy, Ann Keeg, Natasha Vasavada, Chhaya Batra, and Yara Turki. The girls demonstrated a lot of strength and courage as they faced their opponents. The outlook for next year's team looks excellent, with both a strong returning offense and defense. Way to go girls!
