

Shooting For The Stars

Defeating Arch-Rival Westfield is always a goal of our athletic teams. This year's girls' basketball team accomplished this event twice during the 93-94 season.

Young but hardworking, Ann Keegan, Lori Watkins, Natasha Vasavada, and Kate Sweeney led this team to a respectable 9-10 record. Employing various skills and drills, Coach Homm and his assistant Coach Butz encouraged this team to play as one. With a strong nucleus of returning lettermen, the future of the Lady Raiders promises to be a bright one.
