

HOT TURKEY

"Strike one, strike two, strike three . . . Hot Turkey!!!"

These sounds echoed through Clark Lanes from the mouths of our very own SPEHS bowlers. The Varsity Bowling team truly had an excellent season this year, placing 6th in the state. Led by senior co-captains Brian Pederson and Jim Dougherty, the team showed continued improvement.

Key bowlers were Brian Pederson, Jim Dougherty, Bob Santa Lucia, Shannon Mannigault, and Lee Spector. The biggest surprise of the season was

freshman Paul Marel, the team's MVP. He placed in the top ten in the division for high game, average, and series. Coach Mason is thrilled with the performance of this year's team. Way to strike it up!
