

WHO'S ON FIRST?

This year's Varsity Baseball team plans on making this season "one to remember." Five returning key players; Todd Flannery, Mike Jaskowitz, Pete Vossler, Joe McClintock, and Ricky Richardson will help to make the team a strong one.

This year's baseball team is hoping to better its 1992 17-7 season record. Last year's team was fortunate enough to make it to the semi-finals in the county tournament, where they defeated by a talented Union squad in thirteen innings. Coach Homm, as well as the team, has high expectations for this year's season.

"Whoever wants to know the heart and mind of America had better learn baseball, the rules and realities of the game and do it by watching first some high school or small town teams."

-Jacques Barzund
