

Catch The Fever

Rebounding from a disappointing 1993 season, the varsity softball team will look to sharpen their skills and produce a winning season. Although the schedule looks tough, Coach Mason seemed optimistic, "Hopefully we'll do well in the county tournament and even qualify for the states." This year's squad will be anchored by Amanda Sellinger, Karen Squires, and ace hurler Sara Simberg. Their efforts, combined with the depth of the young bench, should prove this group's strength and promise for the future. Go Lady Raiders!

"I'm surrounded by such great players that I just try my best to be better than they are."
