

In Loving Memory of Adrian Andrews
1976-1994

A Lasting Friendship

Some people are fortunate enough
to meet someone special in their lives
who, even though they each may follow
their separate ways, continue to share
a lasting friendship.

The special times spent together,
the people and places shared,
are memories both will always have.
They are the people we remember always,
who live in the heart no matter what ...
always just a thought or a prayer away,
even if the years have gone by.

This is for you, my special friend,
given with a special kind of love.
Thank you for all the times in my life
you were such a vital part of,
and for being the unique essence
of our lasting friendship.
