

# SPANISH NATIONAL HONOR SOCIETY

Fundraising and tutoring have been two of the Spanish National Honor Society's main goals this year. Bagel and pizza sales helped add to the club's scholarship fund and enabled them to donate money to the Jeanette Britton Award. Before and after school, dedicated members have been available for free tutoring in the library. Some popular social events included fiestas and a trip to see a Broadway show, giving the SNHS much to be proud of this year.

## SPANISH CLUB

Balancing charitable events, social gatherings and scholarship fundraisers may not be an easy task, but this year's Spanish Club certainly made it seem simple. In December, Mrs. Marcantonio's room was filled with coats which were gathered for the Salvation Army. The members also went to a Spanish restaurant, played and won International Volleyball, and met students from another school's Spanish Club. Fine dining at the International Cafe added to the club's scholarship account. Without doubt, this has been "un año prospero for the Spanish Club."
