

# Jazzin' It Up

Jazzin' to the tunes of "Groovin' Hard" and other popular pieces, SPF Jazz and Moonglowers have had an active year. Their Pops Concert and Spring Concert received good reviews; people were very impressed with the variety of talented soloists and outstanding section performances. All the way from the Festivals of Music at Virginia Beach right back to SPFF, these musical groups have left a lasting impression on all their audiences.

Above: Andy Fixmer counts the beat as Anjalee Mitra and John Brzozowski jazz it up.

Below: Charlie Jackson and Tom Hogan play "Groovin' Hard" during an early morning rehearsal.
