

President Colleen Kraft and vice-president Jamie Grundy have led these talented groups of singers to great success this year. The Latin, Hebrew and Italian pieces, along with a wide variety of 50's dance songs have brought the choirs well-deserved praise. After all, they practice long hours. Walking past the auditorium between 7:00 AM and 5:00 PM on any given school day, students heard either Select Choir, Las Can, Show Choir or Full Choir singing in harmony. From SPFHS all the way to the Festival of Music in Virginia Beach, these groups have left lasting impressions of dedication, success and musical talent.
