To all my friends: Love and thank you-the best thing to hold onto in this world is each other. Good luck to the Class of '96: We are what memories have made us. Thank you to all of my teachers for their encouragement. Thank you to my family for their patience and love.

At last I'm out. I'd like to thank my family, and all my friends for everything. I want to give a shout out to my man JH with one more year of this madness. And to the one who touches my heart Jenn. PEACE. Good luck class of '96.
