For Sarah

**Startled By The Dream Of A Clang In The Bell Tower,
A Striking Baby Girl Is Cradled In My Arms.
She Is Promise, Bliss, A Natural Bond.
Soon The Girl Child Emerges, With Much Kindness
And Maturity Possessed. Next, As Now, A Person
Is Forming: With Compassion, Tolerance, A Hope
For Justice And The Tools To Make It Happen.
Willie Loves You With A Hug, Mommy Loves**

**You With Her Soul,
Hen Loves You With
Dreams Fulfilled.

Miss You More
