Decorating

Left: Senior Rajan Tumbokon poses in front of his uniquely decorated locker, boasting an array of stickers.

Interior decorating is a hobby for many students at SPFH. As we roamed through the halls, we've spotted some students who expressed their individuality by decorating their only personal space, their lockers. We found photographs of friends and family, stickers of popular bands, inspirational quotes, stuffed animals, and other assorted paraphernalia.

Left: Sophomore Liz Drown has an unusual fetish for Jujubes.

Below: Junior Jennifer Lee has a furry friend to guard her locker.

Above: Wall to wall quotes, stickers, and photos give senior Katie Polito's locker some originality.
