

GETTING AN EYEFUL OF

RAIDER FANS

Above-Raider spirit is taken to the limits by the likes of three body painted seniors, David Gewirtz, Jamey Canterbury and Ben Lee. These fanatics braved the chilly wet elements of the College of New Jersey to cheer their soccer team on to the state championship.

Left-Whether it's leading the basketball team on to the court or firing up the crowd at a soccer game or pep rally, the Raider Indian remains a main attraction of many school activities. When not involved with SGA or DECA, senior Kamran Ahmad can be found sounding the war cry on the sidelines.

Right-You would have to look long and hard to find a more spirited group than our own marching band. This enthusiastic bunch of Raider fanatics is shown here displaying the name and numbers of the senior football players at the state semi-finals.

Bottom left-Sophomore soccer player Jeff Fiorno, a.k.a "Inspector Gadget", has a loyal fan in classmate Martin Barredo. As a fellow athlete, Martin appreciates the fan support so prevalent in S.P.F.H.S.
